

COUNCIL ROCK NORTH CHOIR PARENTS ASSOCIATION

2019-2020 Membership Form

www.crnorthchoirs.org

Welcome to the Council Rock North Choir Parents Association (CRNCPA). CRNCPA provides ongoing support to all students in our outstanding Council Rock North Choral Program. Each year CRNCPA helps fund choir expenses that are not covered by the school district. These items include senior scholarships, special sheet music, concert recordings, organizational items for the choir room and any number of things that might arise during the school year. Last school year we raised funds to purchase new, safer risers.

Your mandatory annual \$25 family membership (regardless of the number of children) supports CRNCPA's efforts and ensures that you will receive timely information via email throughout the year regarding concerts and schedules, fundraisers and other information necessary for your students' success. In addition to your support of the choir, we look forward to your attendance at CRNCPA general meetings and your volunteer involvements with various choral events and fundraisers. Please consider minimal time as a committee members - the more participants the better!

Please have your choir student return this completed form to the CRNCPA mailbox located in outside the Choir Room by Monday Sept. 23. Your membership fee must be paid in order for your child to pick up their choir uniform. This \$25 fee can be included with the form (cash or check made payable to CRNCPA) or go to CRNCPA's website at www.northchoirs.org/registration and pay on line. Dates for choir uniform fittings will be scheduled soon.

Be sure to join us at CRNCPA's first general meeting, Monday, September 23, 2019 at 7 PM in the choir room. If you have any questions or would like to volunteer, contact us at crnchoirs@gmail.com, or bring your questions to the meeting on September 23! We appreciate your support of the choral program and are looking forward to another year of beautiful music.
